8:30 am – 9:15 am – April Sheldrake riding “Nantucket” (“Tucker”) – TRAINING

9:15 am – 10:00 am – Dawn Folliott riding “Lucanto de Keberica” – TRAINING

“Luc” is a 7-year-old Lusitano gelding bred in Quebec. “Luc” and I have been partnered together for 2 yrs. We have spent this time building our relationship, and have had fun cross-training with jumping, pole work, obstacle work and lots of trail riding adventures. We entered our first Dressage show at Training Level this past summer. Our goal is to work up the levels and enjoy the journey together!

10 am – 10:15 am – COFFEE BREAK

10:15 am – 11 am – Teg Harper riding “Fuego Del Mar” - TRAINING

11 am – 11:45 am – Jennifer Barnes Van Elk riding “Hold My Beer” (“Marvel”) – THIRD LEVEL

“Marvel” is a 15-ish-yr-old, one-eyed Hanoverian (San Ramiro) with an interesting backstory. He came to me around age 10 with significant behavioural issues that made him dangerous to handle and ride. After time off and a complete re-start, Marvel solidified his life skills (tying, trailering, and farrier/vet work) and returned to under saddle work. In the past few years, Marvel has become a wonderful dance partner with potential for the upper levels. We continue to work on building his confidence and comfort away from home as he still struggles to achieve relaxation in unfamiliar environments. Regardless of our challenges, I am tremendously proud of how far this horse has come.

B/TB cross that the Richards family bought as an unstarted 4 year old when Rosie was 7 months old in hopes they might become a team one day. Rosie has big goals starting with FEI Children's' as soon as she is old enough to qualify (2025) currently her daily goals are to improve her accuracy throughout a test and overall better balance and connection with her ponies. Coached by Mum, but has had the opportunity to learn from coaches Sabine Schut-Kery, Jeremy Steinberg, Sarah Lockman, Janine Little, Courtenay Fraser and Liz Trudeau this past year, as well as the recent opportunity to ride in front of Cara Whitham in the HCBC/EC Judges Clinic September 16th, 2022.

He was named by an Australian intern there after the colour of an Australian rum. Cecilia was a student there and she gentled him and then decided to bring him home.
